As an trainee, I am committed to continuous learning and development. My goal is to acquire a comprehensive understanding of taxation, audit, and other key areas of accounting. I'm dedicated to applying this knowledge to help businesses make informed financial decisions and achieve sustainable growth.

In addition to my finance background, I also have a deep appreciation for the world of tourism. Exploring new cultures and sharing memorable travel experiences have always been a significant part of my life. I believe that the synergy between finance and tourism can unlock incredible opportunities, and I'm eager to connect with professionals who share this vision.

As a trainee at a chartered accountant firm, I learned a lot about bookkeeping, audit, and tax. I got hands-on experience in keeping accurate financial records, doing audits, and dealing with tax rules. It helped me understand accounting better and improved my skills in handling financial data carefully. I'm thankful for the chance to be part of a team that values doing top-notch financial work.

During my three-month stint at Tax House Kohat, I acquired valuable experience in corporate tax, income tax, and the preparation of personal income tax returns.
