ABDULLAH BURHAN

SUMMARY

As a highly skilled Electrical Engineer with a solid foundation from UET Peshawar, I bring a diverse set of abilities to the table. My educational background includes a Diploma in Information and Technology, enhancing my proficiency in computer-related tasks. My expertise extends to graphic designing, where I excel in project documentation, Photoshop, and video editing. I boast strong programming and design skills, particularly in Python. Additionally, my proficiency in Microsoft Office tools, including Excel and PowerPoint, adds a valuable dimension to my skill set. Notably, I am a digital media expert with a focus on Facebook ads, further demonstrating my adaptability and contemporary knowledge in the field. With a commitment to excellence, I am poised to contribute effectively to any team or project.
