## CAREER OBJECTIVE

Dedicated professional seeking a challenging role to leverage 10 years of experience in sales, marketing, and transportation. Eager to apply proven skills in poultry farm management, pharmaceutical retail, and safe LTV driving. Aspiring to contribute expertise in market analysis and strategic decision-making to achieve organizational goals. Aim to excel in a dynamic work environment, utilizing a comprehensive understanding of Forex trading gained over 5 years on platforms like Exness, Binance, and Deriv. Committed to delivering excellence and driving success in diverse professional settings.

## EXPERIENCE

### Sales and Marketing in Poultry Farm (10 years):

- Developed and executed effective sales and marketing strategies to promote poultry products.
- Managed customer relationships, addressing inquiries, and ensuring customer satisfaction.
- Conducted market research to identify trends and opportunities in the poultry industry.
- Collaborated with the team to achieve sales targets and increase revenue.
- Monitored and analyzed sales performance, adjusting strategies as needed.

### Medical Store Salesman at Khabar Medical Store, Karachi (1 year):

- Assisted customers in finding and purchasing appropriate medical products.
- Maintained knowledge of pharmaceutical products and provided accurate information to customers.
- Handled cash transactions and maintained a balanced cash register.
- Managed inventory, restocked shelves, and ensured a well-organized store.

### LTV Driver in Pakistan (5 years):

- Safely operated light transport vehicles to transport goods and passengers.
- Maintained the vehicle in good working condition through regular inspections.
- Followed traffic rules and regulations to ensure safe transportation.
- Ensured timely delivery of goods and passengers to their destinations.
- Handled documentation related to vehicle maintenance and daily operations.

### Forex Trading Experience:

- Exness (2 years), Binance (3 years), Deriv (Synthetic Indices, 3 years):
- Conducted in-depth analysis of financial markets to make informed trading decisions.
- Executed trades on various platforms, including Exness, Binance, and Deriv.
- Monitored market trends, economic indicators, and news events affecting currency and synthetic indices.
- Managed risk by implementing stop-loss and take-profit strategies.
