OBJECTIVE

As an aspiring Network Engineer/ Field Support Engineer, I am eager to kick-start my career and apply my recently acquired education in Cisco CCNA 200-301. I am dedicated to learning and developing my skills in network design, configuration, and troubleshooting. My strong foundation in networking concepts, coupled with a passion for technology, makes me a motivated and quick learner. I am excited to contribute to a dynamic team and take on new challenges while growing within the field.
