CAREER SUMMARY

Mechanical Engineering graduate with expertise in Quality and Project Management, skilled in ERP tools, CREO software, and recognized by NASA with a digital gold badge. Specialized in power plants, heat transfer operations, and control engineering methodologies, seeking to expand academic and technical knowledge across global industries.

EDUCATION

Bachelors of Science in Mechanical Engineering University of Engineering and Technology Peshawar CGPA 3.49 / 4	Sep 2019 - Oct 2023
Fsc Pre Engineering Fazaia Degree College ,Peshawar	Sep 2016 - Aug 2018
Matriculation Fazaia Degree College ,Peshawar	Sep 2014- Aug 2016

WORK EXPERIENCE

NASA Science Project Learner , NASA <ul style="list-style-type: none">Learned about the working environment of NASA.Learned about the research methodologies needed for the space missions.	Dec 2023 - Jan 2024 Remote
Sales and Application Engineer, ZIMCO International Corporation <ul style="list-style-type: none">Received training in the sales and application departments.Enhanced my soft skills and intellectual abilities.	Nov 2023 - Jan 2024 Remote
Mechanical Engineering Intern, United Rubber Industry Peshawar <ul style="list-style-type: none">Coordinated project tasks, ensuring adherence to engineering standards and regulations.Analyzed the products that are being manufactured in the factory .Understanding the manufacturing layout in the factory.	Aug 2022- Oct 2022
Mechanical Engineering Intern, United Rubber Industry Peshawar <ul style="list-style-type: none">Internship training in the computer numerical control (CNC) department.Learned about the Delcam CAD software used in the factory.Understanding of the CNC milling machine and molding machine used in the factory.	Aug 2021- Oct 2021

FINAL YEAR PROJECT

Automatic Solar Panel Cleaning Machine	Nov 2022- July 2023
