## EXPERIENCE

### Storm Fiber

Peshawar, PK

#### Supervisor – Present

In my current role as a Supervisor, I manage teams, handle complaints, and facilitate seamless interactions and operations. I foster collaboration, resolve issues efficiently, and ensure effective communication with stakeholders. My focus is on optimizing daily operations through data-driven strategies and process improvements, contributing to our team's success and our organization's growth.

### Storm Fiber

Peshawar, PK

#### Fiber Optic Field Technician – 2 Years

I had the opportunity to work on GPON technology, master mechanical splicing techniques, and ensure flawless ONT installations. My role as a Fiber Optic Field Technician was a dynamic blend of cutting-edge tech expertise and hands-on precision.
