### Work Experience

---

#### **Barrister Ummar Ziauddin Law Chambers, Islamabad**

*Lawyer*

*(01.06.2018 to present)*

As a senior legal associate, I am handling day to day court proceedings at Trial Courts and High Court Islamabad. I also appear in different cities' district courts including but not limited to Murree, Rawalpindi, Mansehra and Lahore. My work focuses on inter alia drafting and vetting of contracts, drafting plaints, written statements, applications, notices. I am working with different corporate clients, one of them being Pakistan Real Estate Investment and Management Company Pvt Ltd (PRIMACO), of the firm where I regularly make presentations for corporate clients and brief them on their litigation matters. With active litigation, my work requires me to research on different case laws/provisions using Pakistan Law Site, Indian Kannon etc. My main focus in litigation matters remains to be on revenue matters, consumer protection laws, rental laws, personal body harm (recovery of damages-tortious liabilities claims), regulatory and compliance work related to labour courts and environmental tribunals. I am an active member of the firm who is also working on arbitration matters related to civil disputes arising from construction contracts which are mostly governed under FIDIC governance provisions managing the employer, engineer and contractor relationship. I have also been blessed with having a firm grip on making file inspection reports for different corporate clients, registering trademarks. I am actively working on matters pertaining to defense sector of Pakistan. While representing Frontier Works Department (FWO), I have been engaged to represent the organization at trial courts and high courts of Pakistan. My work does not only focus on litigation only but I have been working with the organization on development of their different corporate entities also. Needless to say, I have also been assigned sensitive tasks for the betterment of organization. Recently I have been engaged with M/S Security Papers Limited, where I was working on successfully defending the elections of independent directors to the board and secondly an ongoing assault in the form of super tax, various defense and commercial entities had to invoke writ jurisdiction of the Islamabad High Court. It was great learning and professional experience to be representing some of the entities wherein the adjudication on the matter still subsists.

I am actively engaged with different other corporate clients of the firm, and to name a few, like M/S Pakistan Real Estate Investment and Management Company (PRIMACO) which is a wholly owned subsidiary of EOBI, M/S DAO PROPTECH Pvt Ltd, M/S Chinar Mines Pvt Ltd, Central Power Purchasing Agency Guarantee, M/S Gammon Pakistan Public Limited and Ingenious Engineering Products. For the corporate clients I also do file inspection, trademark registration, SECP related

filings (through e-portal and directly at SECP office). My work also expands to presentations, policy guidelines and documentations.

## **CNPC CHUANQING DRILLING ENGINEERING COMPANY LIMITED (CCDC)**

*Legal Counsel*

(01.05.23 to 30.05.2023)

I have been engaged by CCDC on litigation matters pertaining to Labour laws pending before NIRC. I have been engaged for solving multiple in-house queries of different departments. My work pertains to inter alia drafting of contracts, letters and various communications involving potential legal repercussions. I am assigned to take up various important matters within departments where I give a detail presentation on different policy issues and legal course of action that vindicates different departments of their liability and a proper course of action is drafted for smooth flow of business work. My main focus was working on legal matters pertaining to transposition of employees within the Pakistan, Iran and the Middle East.
