Actively pursuing opportunities as an SAP MM Consultant (MTO) with a reputable organization. Open to relocation.

Objective:

With a strong foundation in procurement and supply chain management, complemented by my specialized training in SAP MM, I am poised to make significant contributions to SAP MM projects in the capacity of a Junior SAP MM Consultant.

Professional Statement:

As an MBA graduate with a focus on Supply Chain and Marketing, I am keen to utilize my skills in the role of a Junior SAP MM Consultant. My SAP ERP Sourcing and Procurement certification, enriched by comprehensive training from ExD and DTS, has equipped me with the technical proficiency necessary for streamlining materials management processes. My experience as a Procurement Manager in various global and local business settings has honed my analytical skills and deepened my understanding of global supply chain mechanisms. I am dedicated to applying my wide-ranging skills and industry insights to improve materials management efficiency and facilitate successful SAP MM implementations.

Certifications:

- ***SAP Certified Associate - SAP S/4HANA Sourcing and Procurement.***

"This certification verifies that you possess the cores and core skills in the area of sourcing and procurement line of business area required of the consultant profile and proves that you have an overall understanding and in-depth skills to participate as a member of a project team with a focus on the planning and implementation phases in a mentored role. This certification is relevant for SAP S/4HANA Cloud, private edition and SAP S/4HANA on-premise."
