📍 Marrir Hassan Rashid Minhas Road House Number CI-10 Rawalpindi

Profile

I am Muhammad Hamza Khan Mohmand From Rawalpindi, freshly graduated in Computer Sciences. I have been an excellent in programming major subjects. In my graduation journey, firstly I started learning HTML and CSS in my 1st Semester. Keep accelerating my programming skills I also learnt the basics and quite advanced of C, C++, C# and Python. Also have now how about JavaScript to develop interactive web applications. I am a quick learner and responsive to targets. I am always looking for opportunities to learn new skills and polish the skills I have already. I have good communication skills to work in a group environment to accomplish given targets.
