SUMMARY

Highly skilled and motivated Flutter Developer with >1 year of experience and a Bachelor's degree in Computer Science. Experienced in developing mobile applications using Dart programming language and Firebase for backend services. Proficient in integrating Admob Ads, Google Maps, and Github for efficient project management and development. Successfully completed projects such as 'Learn English' and 'Pharmacy Dictionary' at Parity Zone, showcasing strong problem-solving and analytical skills. A quick learner with a passion for staying updated on the latest technologies and trends in the mobile development industry. Strong team player with excellent communication and collaboration skills. Seeking new opportunities to further enhance my skills and contribute to innovative projects.
