Profile

I am a versatile and resilient professional known for my strong research and data analysis skills. I thrive in high-pressure environments, leveraging my communication abilities to deliver consistent, high-quality results. My approach to problem-solving ensures accurate and actionable insights, providing a solid foundation for informed decision-making. Driven by a passion for innovation, I am eager to bring my expertise to roles that challenge me and contribute to the ongoing success and growth of the organization.

Professional Experience

Jan 2023 – Oct 2023 Behria Town Islamabad, Pakistan	Project Coordinator , Gaichu Managed Services  As Project Coordinator, I managed remote network support, troubleshooted LAN/WAN issues, and oversaw installations across multiple US sites. Provided 24/7 support, scheduled technicians, and communicated with clients.
Jan 2021 – Jan 2022 Taxila, Pakistan	Research Assistant , University of Engineering and Technology Taxila  Having served as a Research Assistant at UET Taxila for one year, I have actively contributed to ongoing research projects. In this role, I specialize in data analysis, conduct thorough literature reviews, and engage in collaborative teamwork. My commitment lies in ensuring the accuracy of results and advancing the overall objectives of our research initiatives.

Education

Sep 2019 – May 2023 Taxila, Pakistan	MS/MSc Engineering Management , University of Engineering and Technology Taxila 
Sep 2013 – Sep 2017 Bannu, Pakistan	BS/BSc Electrical (Telecommunication) Engineering , University of Science and Technology Bannu 
Apr 2011 – Apr 2013 Kohat, Pakistan	Higher Secondary School Certificate (HSSC) , Board Of Intermediate & Secondary Education Kohat 
Apr 2009 – Apr 2010 Kohat, Pakistan	Secondary School Certificate (SSC) , Board Of Intermediate & Secondary Education Kohat 
Jan 2019 – Feb 2020 Peshawar, Pakistan	Diploma in Information Technology , Khyber Pakhtunkhwa Board of Technical Education
