

MUHAMMAD MAAZ

ELECTRICAL ENGINEER

ABOUT ME

As an electrical engineer I have worked on software and as well as hardware designing, making, building and implementing. I have worked on PCB designing , learned from scratch designing to project implementations. I also learned about the electricity software applications like ETAP and SIMULINK ON MATLAB.

EXPERIENCE

- 2 months internship in WAPDA
HAYATABAD GRID STATION

SOFTWARE PROFEFFICIENT

C++ Visual studio

Atmel studio 6, 7, 8.1 pro

PROTEOUS

LOGIC.LY

DEV C++

Adobe Photoshop

Graphic poster designer

MS Office

Canva designer

PROJECTS

- ATM MACHINE
- NIC ISSUING
- SMART GLOVE FOR BLIND PERSON
- DIGITAL DISTANCE MEASUREMENT
DEVICE
- **FYP PROJECT** "SMART UMBRELLA"
based on IoT + Solar Technology

Street 10, Sector E/3, House 220, Phase 1,
HAYATABAD PESHAWAR

EDUCATION

BACHELORS (2019 - 2024)

- FAST National University of computing and
emerging science(NUCES), PESHAWAR

FSC- INTERMEDIATE (2016 - 2018)

- Frontier scouts cadet college
warsak,
Warsak Peshawar

MATRICULATION (2013 - 2015)

- Frontier scouts cadet college warsak
Warsak Peshawar.

TECHNICAL SKILLS

Microcontroller

C++ visual studio

AutoCad

PCB Circuit Designer

UI/UX designer

Arduino

ACHIEVEMENTS

- Certificate of hands-on IOT based
Arduino workshop by FAST NUCES.
- Certificate hands-on Flutter workshop
by FAST NUCES PESHAWAR.
- Certified best football player by Frontier
Scouts Cadet College Warsak.
- Best parade Award shield by Frontier
Scouts Cadet College Warsak.
- Certificate for an ORGANIZER in SAC
EVENT IEEE by FAST NUCES PESHAWAR.
