*Institute of Business Administration (IBA)*

**MS Finance** (Aug 2022 – Dec 2023)

**BS Accounting & Finance** (Feb 2018 – Mar 2022)

**ACCA** (8 exams cleared – continued)

## PROFESSIONAL EXPERIENCE

**Accountant (FP&A)**

July 2022 – Present

*Contour Software*

Role and Responsibilities

- Performing monthly, quarterly, and annual financial closings for two business units (BUs) on Microsoft Dynamics.
- Maintaining financial models by creating and updating the monthly and quarterly forecast of revenues, Opex, and COGS by setting trendline of usages and future market conditions as the benchmark.
- Evaluating and analyzing KPIs each month for revenue and expenses accounts and communicating any abnormalities.
- Preparing monthly variance analysis packages of Balance Sheet and Income Statement for the corporate and putting in place feasible tactics and strategies to make improvements.
- Handling and dealing with the financial queries of 120+ Business-to-Business customers.

**Associate Consultant**

Nov 2021 – Mar 2022

*PricewaterhouseCoopers (PwC)*

Role and Responsibilities

- Performed technical and financial evaluation on funds allocation for Pakistan's biggest development fund, Punjab Skills Development Fund (PSDF) as per the guidelines of the Pakistan Procurement Regulatory Authority (PPRA).
- Assisted in creating policies and structures to allocate the funds more efficiently and cut down the closing dates by 40% for different schemes such as ICT, Textile, and Light Engineering.

**Audit Associate**

July 2021 – Nov 2021

*Suriya Naman Rehan & Co. Chartered Accountants (SNRC)*

Role and Responsibilities

- I have audited three SMEs that belongs to the Technological, Construction, and Welfare sectors.
- Created the statutory final accounts as per relevant applicable IFRS and IAS.

## ACHIEVEMENTS

- Achieved 8 bands in spoken English on IELTS Exam.
- My research paper on financial impact of ESG is accepted at the International SBS Conference at IBA.
