Assistant Manager

(Real estate)

Graana.com (Islamabad)

2024 – 2024
3 months

Working with a team in a real estate can be so exciting and rewarding for me. I had a great rapport with my colleagues in the office. I am supportive, collaborative, even a source of positivity and motivation for my Juniors. Being friendly, helpful, and respectful can go a long way in fostering a productive and enjoyable work environment.
