## Work Experience

### 1. Uzair Hammad Faisal & Co

I interned at Uzair Hammad Faisal & Co., a reputable Chartered Firm in Pakistan, actively conducting audits for prominent national companies. This provided valuable insights into auditing and the opportunity to collaborate with well-established organizations.

### 2. Infinity Engineering Pvt Ltd.

As a senior team member in the internal audit team at Infinity Engineering, I played a pivotal role in ensuring the organization's smooth and compliant operations. My **responsibilities** included conducting inventory stock takes, maintaining objectivity, and independently evaluating various aspects of the organization. I executed audits, reviewed documentation, and communicated findings through detailed reports, facilitating continuous improvement in processes for enhanced operational efficiency.

### 3. Infinity school of Engineering Pvt Ltd

The Infinity School of Engineering (ISE) focuses on imparting vocational and technical training school dropouts. I worked as a joiner team member in internal audit team.

### 4. Fauji Foods Ltd

As a senior team member, I conduct **provident fund audits**, reviewing financial records, ensuring legal compliance, and collaborating with the team to address discrepancies, recommend corrective actions, and maintain transparency in accurate reporting to management.

### 5. Fauji Cereals

As a senior team member, I played a key role in preparing **Due Diligence Reports**, conducting detailed assessments of financial aspects such as inventory, fixed assets, and accounts receivable. I also collaborated with external parties, particularly banks, to validate and confirm financial data during the due diligence process.

### 6. Latifal Trust

In managing bookkeeping services for Latifal Trust, my responsibilities encompassed systematically recording financial transactions, preparing income statements and balance sheets annually, and delivering these reports to both Latifal Trust management and the firm manager.

### 7. Mughal Steel

Managed short-term loans at Mughal Steel, involving monthly calculation of principal amounts, accurate computation of interest rates for diverse loan types based on KIBOR rates, and meticulous documentation for regulatory compliance.
