ABOUT ME

Having extensive knowledge of Accounting, audit and taxation triggered by knowledge gained in ACCA and specialized education in commerce have added to my understanding in my work experience at Ijaz Ahmad and Company. With effective Teamwork and being a hard-working person, I have successfully managed to perform Tax Audits and compliance with the Federal Taxation Laws of Pakistan. I am looking forward to working with top organizations to advance my career and to add value to the Taxation and Accountancy profession.

EXPERIENCE

Trainee Accountant | Ijaz Ahmad and Company

Peshawar - June 2021 - Current

- Holistic **cost audits of industries** such as steel manufacturing industries in the province of Khyber Pukhtunkhwa (KPK), Pakistan.
- **Identification of huge cost gaps** and anomalies by thoroughly auditing the cost and financial statements the Steel and tea Manufacturing industries. This helped in saving tax money for our clients.
- Working with the cited industries, very closely, to monitor and identify **effects of different product designs and qualities on cost** of a product this effecting the revenues saved.
- **Analyzation and performance of detailed audits of cost reports** related to different category of companies.
- Successful in providing **detailed reports** specifying and comparing factors affecting prices and profitability of products or services and identifying its impacts on the Tax Savings for the clients.
- **Identified control gaps in Costing processes**, procedures and systems through in-depth research and assessment and suggested methods for improvement.
- **Analyzed data and findings** to prepare reports detailing financial information.
- **Supervised Team** in efficient manner to complete tasks on hand effectively and efficiently.
- **Made annual and monthly Tax Filing of Taxpayers** as per the Tax Laws implemented in Pakistan for the time being.
- Proved successful working within tight deadlines and fast-paced atmosphere.
