Academic Details

Abasyn University Peshawar (AUP)

Bachelors of Science - Electrical Engineering (2019)

HSSC: BISEP (2014)

SSC: BISEP (2012)

Academic Projects

- Light Activated Switch for Night Light
- 5 Volte Mobile Charger.
- Water Level Indicator.
- Automatic Water Pump ON/OFF for Water Tank.
- Multi vibrator (Twinkling Light) Using BJT.
- Metal Detector.
- Temperature Controlled DC Fan.

Final Year Project

Smart Home Energy Management System Using IOT

- A new method of integrating Arduino with relay and transistor for home energy management system is proposed. The Arduino is developed as a controller to manage the lamp, fan and air conditioner. It corresponds the relay, lamp and fan via Android App, and air conditioner. The energy consumed by the electrical appliances can be seen on Android app, we can also calculate the energy consumption of the individual appliance.

Technical Skills

- Microsoft Office Tasks & Projects.
- Mic8051 Micro Controller Kit.
- Keil Software.
- Basic Simulation in MATHLAB.
- Programming in MATLAB.
- Simulation in Proteus.
- AUTOCAD.
- C++ Programming.
- WordPress.
- Event Management.

Technical Certifications.

EE Quiz Winner (2019)
CECOS University Peshawar.
Circuit Design Winner (2019)
FAST National University Peshawar.
Speed Wiring Winner (2018)
FAST National University Peshawar.

Experiences

Site Engineer- Oct, 2022 to June, 2023
M/S Rose Builders & Contractors (PVT) LTD, Peshawar

Site Engineer- Nov, 2021 to June, 2022
M/S Shan International Company (PVT) LTD, Peshawar

Site Engineer – Feb, 2021 to June, 2021
M/S Azmat khan Government Contractor, Peshawar

Teacher – Oct, 2020 to Jul, 2021
Alkhidmat Foundation, Peshawar

Teacher – Sep, 2019 to Feb, 2021
New Islamia Public High School & College, Peshawar

Internship -- June to Aug 2018
PTCL Peshawar

Internship -- June to Aug 2018
TESCO Peshawar
