## ENGINEER AND PRODUCTION MANAGER

### Work Experience

#### PRODUCTION MANAGER

2023- current

##### PREMIER FORMICA INDUSTRY LTD PESHAWAR

Working as a production manager and maintaining all the management of production process including office work, labour management, machinery maintenance, supply chain, raw materials, production process, production quality and end product.

#### ELECTRICAL ENGINEER

2019- 2022

##### PREMIER FORMICA INDUSTRY LTD PESHAWAR

Worked as a shift engineer while maintaining the production process and labor management, also responsible for technical assistance i.e electrical and mechanical problems. Completed many energy-saving projects by using inverters and machine process management. Also working in our second unit premier MDF Gadoon as an electrical engineer and providing technical assistance to the electrical department.

#### ELECTRICAL ENGINEER

2017 - 2019

##### SUN SAVE PAK LTD. PESHAWAR

Worked as an electrical engineer in the field of solar installations in different locations outdoors with the technical department. Installed many on- and off-grid solar systems for different prospectus of life.

#### TRAINEE ENGINEER

2016 - 2017

##### NTDC 500KV SHIEKH MUHAMMADI GRID STATION

Worked as a trainee engineer in NTDC Shiekh Muhammadi 500kv grid station Kohat road and performed many testing procedures of 1) Transformers i.e short circuit test, open circuit test, earth leakage test, coil resistance test, 2) Circuit breakers, i.e short circuit test 3) Isolators i.e contact resistance test, etc. it was an internship after my graduation. Internship period was almost 6 months.

#### ELECTRICAL INSTRUCTOR

2016 - 2017

##### HIRA TECHNICAL COLLEGE MANDANI CHARSADDA

I was also a visiting instructor in a technical college for six months and instructed electrical engineering subjects to DAE students and performed electrical engineering-related labs for the students. It was a visiting-based job just to enhance my knowledge in the field of electrical engineering and to get the confidence to speak in front of people.
