Objective:

Seeking a challenging role as a versatile IT professional with a strong foundation in Database Administration and System Administration.
Eager to contribute my expertise in optimizing database performance, ensuring system reliability, and implementing cutting-edge solutions that align with the company's strategic objectives. Committed to leveraging my technical skills and collaborative mindset to drive efficiency and innovation within the IT infrastructure.

Education

2019 - 2023
Bachelor of computer science
university of engineering and technology peshawar (Jalozai campus)

My Bachelor's degree in Computer Science has equipped me with a strong foundation in programming languages, algorithms, and database management. Through coursework and hands-on projects, I have gained practical experience in development, data-driven solutions, and collaboration. I am eager to apply my skills and contribute to the advancement of technology.
